

# CHAMPION 4-CYCLE PREMIUM PERFORMANCE LAWNMOWER ENGINE OIL

Champion 4-Cycle Lawnmower Engine Oil is formulated specifically for use in 4-cycle lawnmower engines operating at high temperature in dirty environments. It contains carefully balanced additive chemistry optimized to deliver premium performance in anti-wear protection. The new technology incorporated in this latest generation lubricant enables it to exceed manufacturers' performance requirements.

This 30 weight mono-grade is made using highly pure water white mineral oils demonstrating very low volatility for optimum shear stability preventing engine wear, extending gear life, and maximizing engine life.

Recommended and preferred for use in Briggs & Stratton®, Robin®, Kohler®, Tecumseh®, and Honda® air-cooled 4-cycle gasoline engines.

#### Features and Benefits;

- Antiwear additive provides exceptional load carrying characteristics
- Protect against varnish and sludge formation on critical engine parts
- Provide maximum protection against rust and corrosion
- Anti-foaming and superior anti-scuffing protection
- Strong detergents keep engine cleaner
- Resistant to high-temperature oxidation and deposit formation
- This lubricant is specially formulated for the needs of today's small engines and is also recommended for use in go-carts, snow blowers, mini-bikes, All Terrain Vehicles (ATVs), and many other applications using a 4-cycle utility engine specifying SAE-30.

Product Code	4092
SAE Grade	30
API Service Class	SJ
Vis @ 100°C (cSt)	12.2
Vis @ 40°C (cSt)	110.0
Viscosity Index	100
Spec Gravity @ 60°F	0.890
Density (lbs/gal)	7.41
Total Base No.	8.5
Flash COC °F (°C)	576 (302)
Color	L5.5, Brown

AVAILABLE IN 20 OZ and  
QUART CONTAINERS

**#4092**  
**Effective 05/14**
