

POWER STEERING FLUID

“TOP TIER” POWER STEERING FLUID FOR GM, CHRYSLER, FORD AND HONDA.

This 2 in 1 formula combines fluid to maintain power steering system performance plus exclusive stop-leak ingredients to prevent leaks and revitalize seals. Recommended for most imports and all domestic cars, light trucks, vans, and SUVs. Keeps seals pliable and efficient, fights corrosion, extends power steering system life.

DIRECTIONS: Fill power steering reservoir to level specified in your vehicle owner’s manual. Do not overfill. Replaces other mineral oil power steering fluid. If leak or squeal persists, consult an automotive service professional.
