

CHAMPION PDS

PRODUCT DATA SHEET

SAFETY SOLVENT 180° FLASH

CHAMPION Safety Solvent is a safe and effective de-aromatised solvent that can be used for industrial cleaning and product formulation where flash point, toxicity and VOC-requirements must be met.

Features

- High flash point
- Virtually free of aromatics
- Very high chemical stability
- Meets California ARB's requirements for LVP-VOC exempt status

Benefits

- Lower flammability
- Very low toxicity
- Nearly odorless
- Very long product life
- High flexibility for formulation and use

PART# 4114

TYPICAL PROPERTIES:

PRODUCT CODE:	4114
FLASH POINT °F	180
DISTILLATION RANGE °F	406-457
VAPOR PRESSURE @ 20°C	0.1 mm Hg
KINEMATIC VISCOSITY @ 25°C	2.18 cSt
ANALINE POINT °F	171
DENSITY @ 15.6°C	6.8 lb/gal

Available in:

4114D	-	5 Gallon
4114AN	-	55 Gallon
