CHAMPION UltraFleet® Full Synthetic (CK-4) series engine oils are designed to provide industry-leading performance to meet the needs of the next generation of heavy duty engines.

Increased power density, reduced oil volume and extended drain intervals place unique demands on engine oils to control oxidation by-products, sludge and deposits.

- High TBN Retention
- Increased Wear Protection
- Oxidation Resistance
- OEM Certified
- Longer Drain Intervals
- Improved Fuel Economy

CHAMPION UltraFleet® Full Synthetic (CK-4) series engine oils meet or exceed the following specifications:

- API CK-4, CJ-4, CI-4 Plus, SN
- ACEA E7-16, E9-16
- JASO DH-2
- Volvo VDS-4.5, VDS-4
- Cummins CES 20081, 20086
- Detroit Diesel DFS93K218, DFS93K222
- Ford WSS-M2C171-F1
- Renault VI RLD-3
- Mack EO-O Premium Plus
- CAT ECF-3

PART# 4164 - 5W-40
