PRODUCT DATA SHEET

SUPER GRADE ROCK DRILL OIL

CHAMPION Super Grade Premium Rock Drill lubricants are formulated to meet the critical demands of percussion rock drills. Excellent extreme pressure performance provides protection for the rock drill piston, rifle bar and nut against the heavy shock loads typical of rock drill service. Provides excellent anti-sling film layer that clings to lubricated parts and resists water washout from compressed air and surrounding mist. Antitrust corrosion chemistry protects critical parts from wet environments. Meets the performance requirements of many rock drill manufacturers, such as Ingersoll-Rand, Gardner-Denver, Sullivan, etc and provides assurance of meeting the OEM warranty and service requirements.

Low stick-slip values for smooth operation
Good anti-wear properties for greater protection
Low odor characteristics

PART# 4248 - ISO 150

PART# 4251 - ISO 220

Available in:

4248AN - 55 Gallon
4251AN - 55 Gallon

TYPICAL PROPERTIES:

PRODUCT CODE: 4248
ISO GRADE 150
APPEARANCE DARK AMBER
FLASH POINT °F 199
VAPOR PRESSURE 0.013 torr @ 25°C/68°F

DENSITY 0.9 mg/cu. cm @ 15.6°C
SOLUBILITY INSOLUBLE IN WATER

PRODUCT CODE: 4251
ISO GRADE 220
APPEARANCE DARK AMBER
FLASH POINT °F 199
VAPOR PRESSURE 0.013 torr @ 25°C/68°F

DENSITY 0.9 mg/cu. cm @ 15.6°C
SOLUBILITY INSOLUBLE IN WATER
